

## Super Flexible hose

Very light and extremely flexible wear resistant hose. The hose can be used at heavy working conditions.

- black rubber lining, resistant to abrasion
- reinforcement: high tensile textile plies with embedded steel helix wire
- black, abrasion and weather resistant rubber cover
- temperature range from -35°C/-31°F to +85°C/+185°F
- max. vacuum: 90%

### Technical data

Nominal width	ID	OD	Working pressure	Minimum burst pressure	Bending radius	Weight
Inch	mm	mm	bar/psi	bar/psi	mm	g / m
2	51	62,5	3/43	12/174	85	1.200
	60	71,5	3/43	12/174	100	1.400
3	76	92	3/43	12/174	140	1.500
3 1/8	80	96	3/43	12/174	145	1.700
4	102	119	3/43	12/174	170	3.200
5	127	145	3/43	12/174	200	4.200
6	152	170	3/43	12/174	300	5.400
8	204	224	3/43	12/174	700	9.900
